I didn't get anything with the letter. Steve, did you get a spreadsheet back in 2018?

Thanks for forwarding this letter. On page 2, the letter states "Following submission of the LTCP, the Agencies on July 6, 2018 provided the first of several sets of comments on various issues, summarized in the attached spreadsheet." It's not clear to me what "the attached spreadsheet" refers to. The July 6, 2018 EPA letter does not appear to have a spreadsheet, or I do not have it. Did CRW submit a spreadsheet with this most recent letter?
